A DDA fundraiser on Halloween night may want to use the Old Mill prior to trick or treat to serve a meal, ie. chili and hot dogs. They will need to provide the labor, food, health permit and pay our rental fee of \$50. They might not make any money in the short time. They also want a scavenger hunt through out town which would mean coming into the Old Mill to take a photo of Amos Orton. Also Fran Moore would read horror stories in the Mann School.

Dan suggested we show a "Horror Movie" after the trick-or-treating.
